2. As I mentioned, at my meeting with [] his initial reaction was that the report was not releasable for purposes of this litigation. However, at the time he had the opportunity to do little more than to scan the document. The purpose of my memorandum is to ask that he "rethink" the problem in terms of the circumstances giving rise to our request.

STATINTL

3. Basically, [] concern is with the Agency's obligation to protect [] While I'm not sitting at [] desk, I don't read the document as exposing such a source.
